

TREGOE ENTERPRISES INC. ~ JTN MUSIC

Music Editorial

We are a bicoastal hand-picked team of award winning music editors proficient at temping, cutting, conforming, recording and mixing music to picture quickly, artistically and accurately on stage and in the editing bay.

We approach every project with a team mindset, dedicating one lead editor supported by the rest of our editorial team while still working within the project's budgetary constraints.

Together, we have over 60 years of experience working with music against picture. Our experienced editorial team all have strong backgrounds in music composition, giving them a complete understanding of how to tell the best story through music.

Jason Tregoe Newman - President, Head Music Editor

Jason Tregoe Newman is a music editor, engineer, composer, producer, and founder of JTN Music and Tregoe Enterprises Inc. Specializing in music for film and tv, Jason began his career in Boston, Massachusetts where he graduated Magna Cum Laude from Berklee College of Music with a dual-major in Film Scoring and Music Business.

After Graduating, Jason moved to New York City, where he became a staff recording and mixing engineer for industry leading jingle house North Forty Music. Jason quickly began making a name for himself in NYC, and was presented with the opportunity to expand from commercials to tv & film in Los Angeles, CA.

In 2002, Jason relocated to LA where he currently resides. There he teamed up with David Schwartz Music and began working on the critically acclaimed series Arrested Development as a recording/mixing engineer and music editor. Jason's success with David Schwartz propelled him into the television industry where he expanded JTN Music into what is now Tregoe Enterprises Inc., a union music editorial company servicing award-winning projects all over the world.
